

FOR OVER 30 YEARS,

Grant Thornton has proudly saluted the Top 100 private companies in South Carolina through the Grant Thornton South Carolina 100™ ("The South Carolina 100™"), the only ranking of the state's largest privately held companies. The South Carolina 100™ is compiled under the direction of Mark Ballew, partner-in-charge of the Columbia Office, in cooperation with the South Carolina Chamber of Commerce.

Participation in the South Carolina 100[™] is voluntary and companies are ranked based upon their net revenues for their most recently completed fiscal year. To qualify, companies must be privately held, headquartered in South Carolina, and cannot be a subsidiary of another company. Financial institutions, insurance companies, real estate and other brokerages, health care organizations and companies primarily engaged in retail are not eligible for the South Carolina 100[™] listing.

Founded in Chicago in 1924, Grant Thornton LLP (Grant Thornton) is the U.S. member firm of Grant Thornton International Ltd, one of the world's leading organizations of independent audit, tax and advisory firms. In the United States, Grant Thornton has revenue in excess of \$1.4 billion and operates 57 offices with more than 500 partners and 6,000 employees. Grant Thornton works with a broad range of dynamic publicly and privately held companies, government agencies, financial institutions and civic and religious organizations.

2015 RANKINGS

While each year the ranking experiences some changes, the changes in the listings for 2015 included an over 10 percent increase in total revenue and employees. This was the most significant increase in several years. The change is evident in comparable statistics between the 2015 and 2014 South Carolina 100[™] (\$ amounts in Billions), as follows:
